

LCG's mission is to advance the practice of effective management and philanthropy.

Our approach - *phronesis*.

The Greek word **phronesis** best articulates how we carry out our work. Phronesis is a type of **wisdom or intelligence** relevant to **practical action in particular situations**. It implies both **good judgment** and **excellence of character and habits**.

Who is LCG

- A team of experienced nonprofit CEOs
- Based in California and Oregon with experience across the United States
- Current and former nonprofit board members

Who We Serve

- Mission-inspired individuals and organizations

- Nonprofit organizations with operating budgets in the \$1 million to \$30 million range

- We specialize in Catholic secondary education, though we have experience with a vast array of nonprofit organizations.
